submitted the following

## R E P O R T

[To accompany H. Res. 480]

The Committee on Rules, having had under consideration House Resolution 480, by a non-record vote, report the same to the House with the recommendation that the resolution be adopted.

### SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 2642, the “Military Construction and Veterans Affairs Appropriations Act, 2008,” under an open rule. The resolution provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations.

The bill shall be considered as read. The resolution waives all points of order against consideration of the bill except those arising under clause 9 or 10 of rule XXI. The resolution waives points of order against provisions in the bill for failure to comply with clause 2 of rule XXI. During consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the Congressional Record. Amendments so printed shall be considered as read. The resolution provides one motion to recommit with or without instructions. Finally, the resolution permits the Chair, during consideration of the bill in the House, to postpone further consideration of it to a time designated by the Speaker.

### EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill (except for clauses 9 and 10 of Rule XXI) includes a waiver of Rule

XIII, clause 4(a), requiring a three-day layover of a committee report.

The waiver of clause 2 of rule XXI (prohibiting unauthorized appropriations or legislative provisions in an appropriations bill) against provisions in the bill is included because the bill contains unauthorized appropriations and legislative provisions.
